COME BE SOUTHERN

From training our community's workforce to preparing students for new careers, we're leading the way in global education.

University Shreveport is committed to ensuring that we leave an indelible mark on our community and the world.

As the only HBCU comprehensive community college serving a

growing population of students, we're the only HBCU in Louisiana

providing quality education and career training for our students, in turn, contributing to

the vibrancy of our local, state, national, and global economic community.

MISSION: Southern University at Shreveport is committed to providing cultural, social, and educational activities. These services are provided through a variety of programs and activities designed to enhance the lives of students while matriculating at Southern University at Shreveport. The university is a historically black comprehensive community college serving Northwest Louisiana and beyond. The senior mission is to teach and prepare traditional and non-traditional students for degree attainment, transfer, and more.

This preparation is available through multiple delivery methods and instructional sites for students seeking certificates, technical diplomas and associate degrees.

ACADEMICS:

Southern University at Shreveport provides a university parallel program designed to meet the requirements for lower-division courses through Region #23. In addition to basketball, the university has co-ed cheerleading, a dance team and band.

skilled craftsmen for employment, in industry, the professions, and government. The university offers associate degrees in art, sciences, applied sciences, and certificate programs.

STUDENT LIFE: The university's Office of Student Activities is a viable and integral part of student life. It provides the general student body, faculty, staff, and surrounding community with an opportunity to experience the unique facet of academic pursuit by providing

ATHLETICS: Southern University at Shreveport offers intercollegiate basketball for men and women through the Louisiana Conference (LCCAC). The men and women's teams compete in Division I basketball and are

opportunities to assist students in funding their education.
